Introduction to Horses – Part 1 and Part 2

This program is designed to offer an interactive experience for those who are interested in learning more about our horses. Come on down to the barn and learn from our wranglers how they interact with our herd when they are not out on the trail. From catching, leading, brushing, saddling, and feeding, to learning the ins and outs of the equipment we use, this is an opportunity for the entire family to expand their knowledge of horses. Children under the age of 12 must be accompanied by an adult. Each class will have different content, so feel free to sign up for both. Ages: 6 and up

Roping with a Wrangler

Have you ever wondered how cowboys and cowgirls swing a rope and catch cattle so effortlessly? Well, it all starts from the ground up with the fundamentals, and it is not too late to learn. This class will cover the basics of swinging a loop and catching the stationary roping dummy. Children under the age of 12 must be accompanied by an adult. Ages: 6 and up

Jingling the Horses

How would you like to be awestruck by the sight of horses running together, galloping, synchronized side by side and turning together as one? Every morning our wranglers “jingle” horses. Jingling the horses simply means to go round up the cavvy to get them ready for the day’s work. The “cavvy” is the cowboy’s herd of riding horses. Meet at the Barn at 6:00 am

Barnyard

Barnyard

Our Barnyard is open daily 10 am-4 pm. We invite you to come by and meet all the animals and see what special things we have planned for the day. Egg gathering takes place daily. Please refer to the Ranch Daily for scheduled times. Other Barnyard activities include grooming and feeding barnyard animals. We ask that an adult accompany children during their visit to the Barnyard. All ages are welcome.
